In-House
Dental Saving Plan

Dr. Elizabeth Jackson opened Murfreesboro Family Dentistry in August 2016 after working in public health and private practice for nine years. Her goal is to provide the absolute best dental care while providing a comfortable family friendly environment. To achieve her goal, Dr. Jackson has implemented the latest technology and top of the line dental equipment into her dental practice.

Dr. Jackson graduated from Auburn University in 2003 with a degree in Biomedical Sciences and a minor in Spanish. She graduated from the University of Alabama at Birmingham in 2007 with a Doctorate in Dental Medicine. She is a member of the American Dental Association, Tennessee Dental Association, Fourth District Dental Society, and Academy of General Dentistry. She is currently a faculty member for the New York University Lutheran and the University of Tennessee Health Science Center Advanced Education in General Dentistry program as well as an assistant clinical instructor in the Department of Oral and Maxillofacial Surgery at Vanderbilt University School of Medicine.

Dr. Jackson's approach to care is one that's driven by educating patients on how to prevent dental problems and helping them maintain a healthy smile. She treats each patient like family and welcomes you to visit her office for your dental needs. Dr. Jackson looks forward to serving you and your family.

Murfreesboro Family Dentistry utilizes the latest technology to provide professional and friendly dental care to the Murfreesboro community.

To provide a competitive benefit to patients without dental insurance, Murfreesboro Family Dentistry offers patients an in-house dental savings plan.

Guidelines

Family plans are reserved for families with children up to the age of 23, if enrolled as a full-time student. Non-full-time students can participate in a family plan until age 19.

Each family member can enroll at different times of the year, though the end of the Coverage Year shall remain the same for all members, based on the Expiration Date of the first family member to enroll. To maximize coverage, all family members should enroll during the same month.

To receive benefit coverage, patient must remain enrolled in plan throughout the course of treatment.

Annual exams, cleanings, and x-rays cannot be carried over to the next year.

Savings Plan is not transferrable to another party or uncovered family member.

Fees are subject to change each year.

Plan is portable regardless of employment.

Premiums are nonrefundable.

Payment is due at time of service.

Payment not received at time of service will be billed at usual & customary fees.

Membership information maintained in your electronic record.

Effective date is day patient pays for plan and renewal date is the anniversary of date.
